Come for a fun day of golf  
and stay for the support of local seniors through  
Williamsburg Faith In Action

**Our mission says it all: Volunteers Serve. Seniors Thrive.**

Imagine not being able to drive any longer and needing to get to a doctor's appointment or weekly physical therapy. Think about your last haircut, trip to the grocery store, or visit to the pharmacy. Now, imagine if you didn't drive, didn't have family nearby to help or just needed an extra hand to maneuver your purchases and a cane at the same time.

That's where Williamsburg Faith In Action steps in for seniors who aren't ready for assisted living but also need a helping hand. Our trained volunteers provide rides for these types of needs, along with food pantry visits, wellness checks, shopping, yardwork and so much more.

We invite you to support keeping seniors living independently and safely in their homes and improving their quality of life as they age by becoming a sponsor of our golf tournament. As our community ages, seniors become more dependent on services and resources to help them with day-to-day tasks that we all take for granted...until we need them.

Your sponsorship will directly help Williamsburg Faith In Action provide these services and other resources for seniors who depend on us for that extra connection. Please join us for a day of excellent golf on the beautiful Williamsburg National course, prizes, a silent auction and lunch.

Contact us at 757.258.5890 to sponsor, to play or to volunteer today!
