HAPPY BIRTHDAY AMERICA!

Dear Friends of Faith In Action:

As we commemorate the 250th birthday of our nation, and as an agency focused on aging well, we celebrate another impactful year of helping seniors remain independent!

Our mission to help seniors stay independent for as long as possible is at the heart of everything we do. Volunteers Serve. Seniors Thrive.

And YOU, our supporters, along with our volunteers, are an important part of that mission. Through your support, week after week, local seniors receive healthcare, nutritious food, take care of personal business and feel connected to others. Accomplishing that goal is directly impacted by the support you generously give Williamsburg Faith In Action. Because of your generous support, we served 205 seniors this past year with 4,691 rides and/or services. With heartfelt gratitude, we say "Thank You!"

As we embark on our new fiscal year, the task of working hard to do even more for our Care Receivers begins. We have set new goals on behalf of those we serve. WFIA will increase our ability to offer services through actively recruiting more Volunteers that are dedicated to helping seniors thrive. We will participate in more community events to help inform potential Care Receivers of the scope of our services. We plan to initiate a new technology education program to help seniors become more tech-oriented. This program aims to increase their ability to communicate with long-distance family and friends, keeping them connected; to be able to order food online, keeping them fed; to have the ability to do tele-health visits keeping them healthy, and more.

This year will bring some challenges to achieve these goals, but we are poised to rise to the occasion. With your continued support, along with our passion for our mission, we are excited to continue helping local seniors thrive while aging well independently. After all, in this 250th year, independence is worth celebrating!

In service,

Michelle Williams

Make An Impact Through Giving

When you give to Williamsburg Faith In Action, you become part of a community that helps older adults live with dignity, independence, and connection. Every donation helps us live out our mission by providing essential services such as transportation to medical appointments, grocery shopping assistance, friendly visits, and volunteer support that allows seniors to remain safely in the homes they love. Your generosity also enables us to recruit and train new volunteers, develop innovative programs like our new Technology Program, and continually find new ways to meet the evolving needs of older adults in our community. Every gift given, no matter the size, creates lasting impact! Thank you for investing in your neighbors and helping us build a community where **volunteers serve and seniors thrive.**

Volunteer Appreciation Luncheon 2026

In June, we proudly celebrated our incredible volunteers at our annual Volunteer Appreciation Luncheon. Our volunteers “Make Our Mission Sparkle” and without them we would not be able to complete our mission. The event was a wonderful opportunity to recognize the compassion, dedication, and generosity of the volunteers who make our mission possible every day. Through their countless hours of service, our volunteers bring hope, connection, and support to older adults in our community, helping them maintain their independence and quality of life. We are deeply grateful for each volunteer's commitment and the unique spark they bring to Williamsburg Faith In Action. Thank you for making our mission shine brighter all year long!
